V SRDCI

(Click)

Slovácký dvůr is a place with endless possibilities. For everyone. All year round.

We strive to make Slovácký dvůr not just an "ordinary" leisure area for you - we would like to become part of your lifestyle and we believe that you will be happy to come back to us in any season.

Active holidays for the whole family, perfect vacations for your children or grandchildren, themed (and extended) weekends such as the slaughter, vintage, plum harvest and much more... Single or multi-day events for companies or closed groups, birthday parties, weddings...
